## Colomendy

The final payment is due on **8th September** the first Friday back after the summer holidays. Instalments can be made at any time either by sending money in with your child in an envelope or by calling to the office.

## Twitter is Tweeting Again! **Twitter: @SandbrookSch**

You may have noticed that we are Tweeting again. We have a new system of gathering news in school and this is enabling us to Tweet more. Please follow us for up to date news about what's going on in school. Mr Motyka has challenged the teachers and children to notice tweet-able things so there will be lots of tweets from classes.

A workshop was attended by parents of Y1, 2 and 3 children to learn mathematical skills using **LEGO**. The children very much enjoyed creating towers.

## We've been Tweeting! Follow us @SandbrookSch

We have 50 followers and would love all families to follow us so that we can share some of the wonderful things that your children say and do.

Y1/2 visit the Liverpool Philharmonic

F2 mud painting in National Schools Grounds Week

F2 pond dipping in NSGW

Y4 did an invertebrate survey in NSGW

What a fantastic impact Eco Warriors has had—Harry went home and planted anything and everything in his garden with flowers.

A strawberry has seeded itself in our bog garden! How amazing are plants!
