Walk to School Week

Next week is Walk To School week. Y5 children will be working with the support of Merseytravel to encourage as many children as possible to walk to school.

Every class will be recording who walks to school each day and there will be stickers for the 'walkers' and prizes for the class with the most stickers. So ditch the car, while the weather's good. You'll arrive at school wide awake and refreshed from the exercise! Bicycles and scooters will count towards walking, or even parking the car five minutes away and walking the last few hundred metres will count too.

For those children unable to walk to school due to adults' work commitments, we will be running a 'walking club' during break on Monday, Wednesday and Friday. This will allow all children the chance to take part in the scheme and to get some stickers to help their class.

Walk to school - good for the body, good for the brain and good for the planet!
