**Reading Masterclasses**

Mr Mervyn and Ms Temple will be running reading masterclasses after school for parents of KS1 children on the 26th September and for parents of KS2 children on 28th of September.

These sessions will offer suggestions on how to help your child develop their love of reading and reading skills. We know that children who develop good reading skills have a much better chance of doing well in school. We are also passionate about the joy that reading can bring and want to share this with everyone. Please join us.
