

HALF TERM FUN FOR THE WHOLE FAMILY

Welcome to the Summer Half Term edition of our holiday activities guide - designed to make the most of your visit to Chester Cathedral.

Meet our baby Indian Eagle Owl!

This half term visit the **Falconry and Nature Gardens** and say hello to our **new baby Indian Eagle Owl** or handle Lucky and Ffion our new ferrets. See one of our **daily flying displays** or get up close and personal with our team of reptiles. There's **snakes, lizards, snails, cockroaches and a tortoise**. Why not bring your own picnic and stay all day.

"Let's do this"

LEGO Cathedral build

Come and see how much we've grown! We have built over **100,000 bricks** but don't panic, there are still 350,000 bricks to add to the LEGO model. **At just £1 a brick** it's a great way to be a part of a **Guinness World Record**. We have the longest set of instruction in the world!

Make, create and do!

Why not get creative this half term. We have lots of craft activities including windmill making, bracelet beading and candle decorating. **Fancy something yummy?** We also have cupcake decorating! We also have a **HUGE** woven textile exhibition **'Threads through Revelation'** for you to see; after that come and make your own with our paper weaving activities!

29th May to 2nd June

11:30am until 1:30pm & 2:00pm until 4:00pm

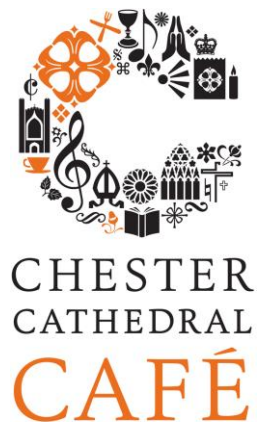

Feeling brave?

Climb 216 steps up to the top of our Cathedral tower. You can see for miles! Follow in the footsteps of the Monks that used to live at the Cathedral and the secret to their 'hairy' stairwells.

Time for a pit stop?

With our **brand new children's menu**, there is something for everyone at our **Refectory Cafe**. We now have yummy tomato pasta and a selection of sandwiches for your little ones to enjoy; all **made fresh to order!** Don't worry if you have any special dietary requirements, just call in advance and our Cafe team will create a delicious alternative for you.
