

Dear Parent/Carer

24th May 2017

Paediatric First Aid Course – FREE

June 26th 2017 9am – 12.30pm

We are offering a short 3 hour Paediatric First Aid awareness course, designed to teach emergency First Aid for people who may encounter this, whether it be as a parent, grandparent, carer or possibly even a babysitter. This course is **FREE** to people who are who are currently unemployed or retired

Within this **FREE** course, you will learn how to deliver baby CPR, primary First Aid on a small child, the recovery positions, how to stop a child from choking and much more.

If you would like to attend please complete and return the reply slip no later than Friday 9th June.

Reply Slip: FREE Paediatric First Aid Course
