Dear Parents and Carers of: _____

As we are striving for excellence, we ask that the children read at least 5 times a week at home. This is to ensure they have plenty of opportunities to develop their understanding of reading as well as to help encourage a love of reading by spending time sharing a story or book with their parents/carers.

It has been brought to my attention that _____ is struggling to meet the required amount of reading at home.

We understand that lives can be extremely busy and it can be difficult to read each night. However, we would ask you to ensure when children do read at home it is recorded in their reading record book.

If you would like to discuss this further please contact your child's class teacher.

Kind regards,

Mrs Daniels-Jones
