Autumn 1 Week 7

### Special Points of Interest

- Office update
- Flu vaccine
- Secondary school admissions

This week we'd like to remind everyone of our attendance actions:

**If your child is unable to attend school, please let the office know on the first day of the absence.**

When the registers are completed, the office team will contact everyone who has not let us know a reason for absence.

If we cannot get in touch on your main contact number, we will work down your contact list and send you an email.

**PLEASE** respond to messages as soon as possible.

### DATES FOR YOUR DIARY

19 OCTOBER 2020  
FLU IMMUNISATIONS

If we do not hear from you, we will become very worried about you and your family. Our next step could be a house call or a request for a welfare visit by the police.

23 OCTOBER 2020  
INSET DAY 2

The reason for this is to keep everyone safe. You may recall a case in the news of a child who had been left at home with a very sick parent for several days. We don't want that to happen to any of our families so please stay in touch. Please talk to your child's class-teacher if you have any worries that we can resolve to help improve attendance .
