Easter holiday

We have come to the end of another busy term. As always over breaks we would love it if you could keep up with reading with your child or keep your child reading on their own, if they are able. Reading is the key to everything and the more you read, the better LOTS of things get - vocabulary builds, knowledge builds, empathy builds and of course a love of reading builds.

Team Sandbrook wish you all a safe and happy Easter holiday.

We look forward to seeing everyone back in school on Monday 25th April.

New member of staff

I am delighted to inform you that we have appointed a new teacher to join us at Sandbrook. Miss Cullen is a very experienced teacher, joining us from a large Wirral primary school. Class 5/6 have met Miss Cullen when she joined them for their visit to the Philharmonic and she is very excited to start building a relationship with the children. She will join us permanently after the Spring break.

Miss Cullen will also be taking over the role of school SENCo in due course with the support of Mrs Craven.

This week's class attendance

FS2	1/2	3/4	5/6
89.1%	93.2%	93.7%	92.4%

WIRRAL SCHOOL FOOD PANTRY PROJECT

We have just taken delivery of more store cupboard items. This project is funded by Wirral Council and managed by NEO Community. With rising fuel costs on the way, please don't choose between heating your home and feeding your family when we can help. Food is available to anyone that needs it, regardless of circumstances. Just fill in an order form and drop it off at reception (if you have some spare bags we can use, that would be great).

Red Nose Day : Friday 18th March

Children - took part in an Egg & Spoon race / obstacle course / non uniform day. We are delighted to say we raised £188.35.

Have you check out the new Family Toolbox website yet?

It has lots of things for family life in Wirral on one website:

- Find loads of tried and tested tips on parenting, looking after yourself and life as a family.
- Introduce yourself to people and places who can give you a bit of support.
- Find out what's on in Wirral for you and your family.
- Take space to reflect on what's going on at home and what you'd like to change.
- Save your family's favourite ideas, resources and places to your own Toolbox.

Family Toolbox can be accessed via www.familytoolbox.co.uk

As we move forward into 2022 our aim is to go paperless where possible. We will no longer be printing a weekly newsletter and sending it home with the children. Instead it will be sent out via email direct to your inbox! A limited number of paper copies will be available in the reception in case you have access issues and it will still be uploaded to our website.

Any urgent information needing circulating will also be sent via email.

We will shortly be sending out a consultation to see what you would like including in your newsletter.
