## School Library

The school library team have been working hard to maintain our school library so that children can make full use of the reading material available to us at Sandbrook. It remains an expectation that our children read five times a week to accelerate their progress. A child's reading comprehension is only as good as their vocabulary. Therefore, we encourage children to visit our school library to browse the great selection of books available to them, to be read at home. Remember, that all children enjoy having stories read to them!
