## **Feedback from Parent Survey.**

Thank you for your feedback on the survey during Parents' Meetings. We are delighted that so many of you completed the survey with such positive results: Almost all of you who responded told us that your child was happy, felt safe and was taught well in school.

The staff are very appreciative of the positive comments that you made: these go a long way to boost our spirits on cold, dark winter mornings!

Here are a few things that parents have said:

**I am very pleased with how well my son has settled into the school.**

**Amazing effort from teachers and staff, dedicated to making the best of the pupils. A great bunch!**

**Thank you for all you do. I'm a very proud mum.**

**We feel very happy with the school. The progress our children are making. They are always happy to come to school and happy when coming out. We couldn't ask for more, thank you.**

**My child is doing really well.**

**Wonderful provision, wonderful staff, safe environment. My children have flourished at Sandbrook, couldn't be happier. Thank you to all the staff.**

We will be looking at our extra-curricular activity programme in response to your feedback.
