Year 4/5 newsletter

Wow, what a busy week for Year 4/5! A trip to the Art gallery to watch a Midsummer Night's Dream, a ukulele performance and an Islamic Eid workshop.

If this isn't cultural enough, we've also had the coastal lifeguards in to teach us about how to stay safe on the beach. The advice for the summer is Slip, Slop, Slap! Slip on a shirt, slop on sunscreen and slap on a hat to keep safe! Slip, Slop, Slap! Remember, always use the beach during lifeguard controlled hours.

What a success hockey coaching has been! We have now completed our unit with a professional hockey coach. "I can't believe how much the children have come on in this sport. Through the sweat, tears and even bruises, our children have managed to build a resilience and a healthy competitive spirit towards hockey."

The hockey coach commented upon the children's efforts: "It has been great to see how much the children have developed. Lola, Emma and Ryan have shown a real determination and improved their skills greatly. Everyone has made so much progress since first picking up their hockey sticks."

Lever Art Gallery

Years 1, 2, 3, 4, 5 & 6 are visiting Lady Lever Art Gallery on 3rd and 4th July. We have a number of outstanding reply forms, if your child brings home a second form please complete and return to school, otherwise your child will not be allowed to go on the trip.

Diversity Week

Sandbrook is joining national Diversity week from Monday. Children will be learning about the wonderful diversity of families in the UK today. This is part of our duty to promote the Equality Act and British Values. The governors are excited to see the work our kind sensitive children will produce. Pin badges will be on sale at lunchtimes in the hall at a cost of 50p.
