Dear families

It is with great sadness that we finish the week. As you may be aware, one of our families has suffered an unexpected and devastating bereavement this week.

Jack Jones left Sandbrook in 2017. He was kind and funny and is fondly remembered by all of us who knew him. I had a soft spot for Jack and cannot imagine the pain of his passing for his family.

Many of you will know the family and will join with us in sending our thoughts, prayers and love to them at this difficult time. Losing a loved one is always hard but the pain of losing a child is unimaginable.

Hug your little ones tight tonight.

Jack Jones 2005-2021
