Visit from Mark Quinn, HMI

On the 20th of March we were visited by one of Her Majesty's Inspectors to review the progress we have made since our last Ofsted inspection. Mr Quinn has written to me with his findings and you are receiving a copy of this letter today. We are delighted with the very positive view of our school that he went away with. He is satisfied that we are taking effective action to address the issues identified in the inspection. We will continue our relentless drive for improvement over the coming months.

Information regarding forthcoming elections—impact on school

You will be aware that a General Election has been called for Thursday 8th June 2017. We have been informed that school is required to be a polling station and will therefore be closed to pupils on that day as voting will take place in the hall.

Reminder:- Combined Authority Mayoral election on 4th May 2017 will take place in the family room accessed via side of reception—school remains open to children on that day

Fruit

Please can we request that grapes, strawberries or cherry tomatoes being brought into school for either a snack or in a packed lunch be cut into small pieces. These items can be a choking hazard if not cut up.

PE Kits

It has been noted recently that some children do not have a PE kit in school on the day allocated for PE. PE is part of school curriculum and children need to have the correct equipment. A full kit (red t-shirt / black shorts and black pumps- all named) should be sent into school and left in school.

Caterpillars Butterflies and beyond are operating between Eastway Primary and Sandbrook dropping off and picking up children in a mini bus. For further details ring Rebecca on 7486351995, or email: butterfliesandbeyond123@gmail.com

Parents Evening

Reminder please access the school website to book a time for Y1—Y5 parents evening using the passwords sent home before the Spring Break.

Parking

Just a reminder that if you bring your child by car, please do not park on the zig-zag hazard lines or across the driveways of our neighbours. **Our car park is for staff and visitors only so if you are using the reception office to enter school**, please park on Stavordale Road and use the pedestrian path to walk to the office. Please do not leave children to walk across the car park unaccompanied as small children cannot be seen if someone is reversing.
