Hello everyone

During the big lockdown, we used the VLE part of our website to provide home-learning support. We also sent home packs of work. We have now been looking at a range of options in case we need to move to remote learning again. It is likely that we will be moving to Google Classrooms which will give us more remote teaching and learning options but might be a bit trickier than the VLE, at least at first. We will also be subscribing to an virtual platform for KS2.

If your child is isolating, we will send you a link to sign up to their Google classroom, where staff will post work. We will give you a ring to see how you are getting on. It will be important to try to keep up with your child's learning so that they can fit straight back in on their return.

Please let us know if you have any trouble accessing the internet at home or understanding Google classrooms.

Flu vaccine REMINDER

Flu consent forms have been sent home for children in FS2 to Y6. If you have not already done so, please complete and return to school ASAP so that enough vaccines are delivered to school. We would urge you all to get your child vaccinated this flu season.

Secondary Transfer for Pupils in Y5 + Y6

REMINDER : Leaflets containing information for secondary school transfers have been sent home for Y6 pupils. Please apply online at

www.wirral.gov.uk/schooladmissions the closing date is Saturday October 31st 2020.

Due to our current situation, walks around prospective secondary schools are being replaced with virtual open evenings for pupils currently in Y5 and Y6. Please check their websites for details.

Mental Health for all

Saturday 10th October 2020 is world mental health day.

It's normal to feel anxious during difficult times you can access 'Coping with COVID-19' at <https://bit.ly/2VYkn3y#WMHD2020>

You can also access a number of resources at CWP NHS's dedicated child and adolescent mental health website
