Hello everyone

We have introduced a system of commendations to recognise the great work and learning the children are doing. As we can't invite you in to see your child's work at the moment, if your child receives a commendation we will send you a picture of the work your child has received the commendation for. Please let the office know your most up to-date email address.

First Line of Defence

Our first - and best - line of defence against Covid transmission is to **STOP** it entering the school.

For this reason we ask you not to send your child in if they are unwell, stick to the 2m markings, wear masks and sanitise hands on entry # All safe together.

Have you activated your ParentPay account yet?

Flu Immunisations - Extra session 9th December

If your child was absent on 19th October and didn't have their flu vaccine, a mop-up session is taking place in school on Wednesday 9th December. Blank permission forms are also available from the office if you would like your child to be vaccinated but missed the first deadline.

If you had given permission previously but your child was absent or refused and has since had their vaccine from their GP or other clinic, you **MUST** inform the Immunisation Team on 0151 514 2510.
