**Sports Day**

Sports day will be on Wednesday 18th July at 9:30am. The event will last around 90 minutes and will include Olympic-style events and track races. There will also be a parents race so please bring your trainers.

Our sports day will take place on the redgra pitch. All parents can make their way there after they have dropped their children off. Benches will be put out to show you where you can sit.

Teas and coffees will also be available to purchase in the family room so please bring a little bit of loose change with you.

Due to the extreme weather conditions, ALL children will need to come into school wearing their school PE kit consisting of plain black shorts/leggings and a red or white school PE top. Children will also need a water bottle, a sun hat and must be COVERED in sun cream. Due to Privacy & Safeguarding laws parents attending sports day are only allowed to photograph their own child and nobody else.

We really hope that you can join us for this event.  
Kind Regards, Mr Mervyn

**Dates for your diary****2018-2019 After School Clubs**

As of September 2018, we will be using an external provider to run our after school clubs. We will therefore need the children to pay a small fee, in order to cover the costs.

We are certain that by using the expertise and resources of an external provider, we will be able to successfully improve the impact of our after school provisions.

**Summer Fair donations/helpers**

A great big thank you to all who have volunteered to help and have made donations towards the Summer Fair.

**School Library**

The library team (a dedicated group of year 4's) have been working hard to tidy up our school library so that children can make full use of the available reading material available to us at Sandbrook. It remains an expectation that our children read five times a week to accelerate their progress. Therefore, we encourage children to visit our school library to browse the great selection of books available to them to be read at home. 'Striving for excellence in everything we do'
