FAST – Families and Schools together

Dear Sir / Madam

The FAST programme is aimed at families in the community surrounding our school.

We have a team of volunteers ranging from Parents, school staff and corporate representatives.

We invite families of children aged 5 – 8 years who attend our school plus their extended family of siblings and grandparents.

The aim is:

To provide a family meal

Provide a 'take home hamper' consisting of presents for the whole family candles, chocolates, towel bale, board games, dolls, cars, books etc.

Encourage families to stay in family groups

Coach them in family play time

Give adults private talk time with other adults

Support the family after the 8 week programme.

Sessions run from Wednesday 30th September 2015 to Wednesday 25th November 2015.

Thank you for agreeing to help.

TEAM Sandbrook – Striving Together for Excellence
