Coffee morning 9am
Wed 12th December
Entrance via side of reception

This week all children from years 1-6 had an absolutely fantastic time visiting Chester Zoo. It has been great to see so many of our children come back from a school trip so enthralled and full of new knowledge.

Our year 1 children were able to build on some of the work that they have been doing in the classroom about sloths. I bet you didn't know that sloths only come down from their trees to poo? And they only do that around every 8 days. Max was even able to teach the zoo keeper that it takes around 16 days for a sloth to digest their food. Great work, Max.

Here are some of things that our youngest zoologists said about their trip:

I really liked seeing the meerkats pop up. Quorra

Today has just been epic.
Noah

The giraffes were so beautiful. I want to be that tall. Radia

The male orangutan was so strong to lift himself up. Ryan
