Sandbrook SEND Framework

who receive quality first teaching (everyone).

This can include children who have a diagnosis or have previously been on the SEND register, who now receive adjustments to their provision as part of QFT for example: ASC pupil using time out requests.

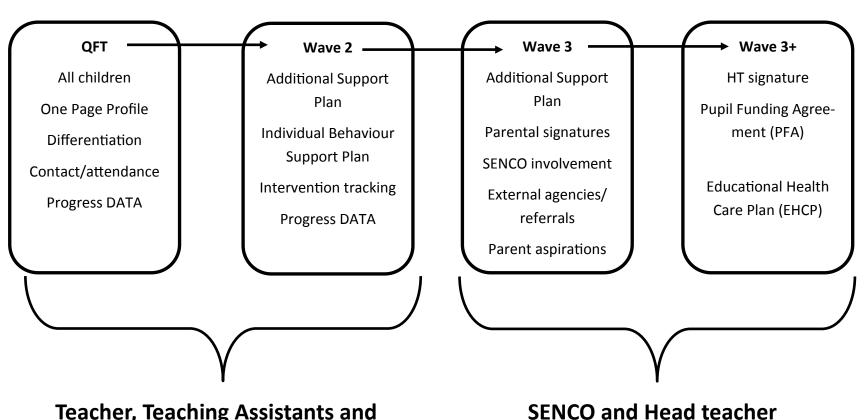

short tem basis (6-12 weeks).

This can include: catch up/ GAP closing, developmental delay, SEND pupils.

Wave 3 interventions are for those pupils who receive on going interventions which are additional to that of their peers.

Wave 3+ identifies those pupils receiving extra funding such as PFA or EHCP.

Sandbrook SEND Framework

Teacher, Teaching Assistants and parental involvement

SENCO and Head teacher involvement

Sandbrook SEND Framework SENCO involvement/coordination Wave 3= SEND specialists are in-Wave 3+ volved. Wave 3+ refers to funding (PFA, EHCP). Children will have an individual SEND Wave 3 tracking form and will receive additional interventions. Class teacher provision/ tracking Wave 2 QFT for all pupils, including those with SEND. Some children with SEND will manage with QFT. Children at wave 2 are referred to SENCO once QFT **Quality First Teaching** and wave 2 interventions have been coordinated. Please refer to Teacher Referral.
