New Date TBC

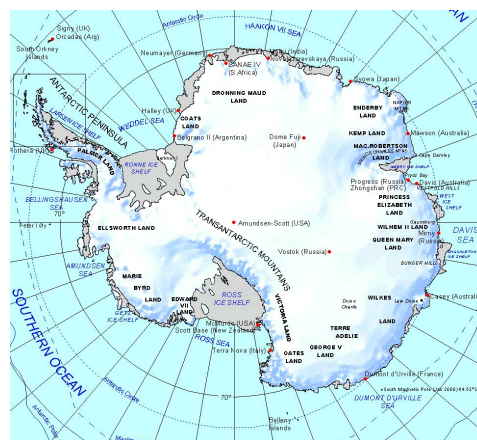

INSET Day 3
Friday 15th February

Half Term
18th–22nd February

KS2 Archery Assembly
Tuesday 26th February
*** new activity ***

Year 6—Learning

In geography this term Y6 have been studying the continent of Antarctica through the journey of the explorer Shackleton. They have also been learning about the importance of Antarctica to the environment and the impact of global warming.

In science, Y6 have been learning about electricity and circuits. In history we are studying the role of energy and its impact on society, especially the unpleasant jobs that came out of the pursuit of energy e.g. coal mining in Victorian times.

Y4,5,6 are continuing to work hard and are showing increasing resilience and independence as they continue to grow and mature as learners.

Last week Y6 had their first hockey lesson taught by a qualified hockey coach - this was a great success and the class are very much looking forward to their lesson this week!

Car park

Please remember that the car park is not for pedestrians. When picking up, dropping off or visiting on foot please use the pedestrian gate not the car park.

Parent Governor

We have received nominations from 2 parents to be a parent governor. Ballot papers are being prepared and will be distributed next week. All parents are entitled to vote for one candidate. The ballot will close on Wednesday 27th February at 9.15am. A ballot box will be placed in the reception entrance.

Contact Forms

Please keep these coming in. We are updating our system in readiness for our new Management System - it will only be as good as the information we transfer into it!

NSPCC Parent Session : 13th February POSTPONED

Unfortunately the NSPCC have asked us to re-arrange this session. A further letter will be sent out when we have received their new date.

Free School Meals

Wirral Council are encouraging all parents to register on the Online Free School Meals System regardless of whether you think you are entitled or not. Going forwards, this will be the only way of automatically checking whether your child may be entitled. Please register by going online to

<https://www.cloudforedu.org.uk/ofsm/sims-wirral/>

If you would like us to do this for you, please complete a form that is available from reception. The system automatically checks every 2 weeks to see if children are entitled to a free meal.

BikeRight Day 2

For those pupils in Y5 who have registered, please ensure that they have a roadworthy bike and cycling helmet with them on Tuesday 12th February. Children should also wear suitable warm clothes.
