

Wirral Lifelong Learning Service

We offer a selection of courses available through our **FAMILY LEARNING** programme.

These are provided for parents and carers, they are designed to help with supporting your children in school and helping with both their education and personal development.

Some courses are simply for the parents themselves, whilst others are designed so that the children join their parents in the second half of the session and the skills developed are applied. These courses are provided in partnership with primary schools.

// I liked the fact that nothing was too hard but at the same time felt challenged. //

Town Lane
Infant School

// It has been incredible to see some parents growing in confidence and even volunteering in schools. //

Gill Linfield,
ESOL Tutor

// I enjoyed the atmosphere and learning how literacy skills can be practiced at home. //

St Josephs Catholic
Primary School

Benefits of Family Learning

- Raises children's achievements
- Encourages parents to support their children's learning
- Promotes a learning culture in the family
- Increases parents' confidence
- Encourages parents to improve to their own learning/qualifications

ALL Family Learning courses are **FREE** for everyone. You must be aged 19 or over and a Wirral resident to enrol.

For online courses you will need a smartphone/tablet/laptop to attend these classes. If you need any support, we offer an 'Online Support' workshop to help you to access these online courses. Please ask to be booked onto this workshop when you contact Wirral Lifelong Learning Service to enrol.
