Residents are also advised to adhere to the following guidance to further reduce rates of infection:

Residents should not socialise with other people outside of their own households in all public venues

Residents are advised to only use public transport for essential purposes, such as travelling to school or work

Flu vaccine REMINDER

Flu consent forms have been sent home for children in FS2 to Y6. If you have not already done so, please complete and return to school ASAP so that enough vaccines are delivered to school. We would urge you all to get your child vaccinated this flu season.
