SMART School Council

We have continued with our SMART School Council class meetings each week. Each class from year 1 to 6 have voted on attendance, lunchtime clubs, behaviour and also about a whole school summer art project. In each class meeting one child is the leader and another child is a note-taker. The children like to take on these roles and they are growing in confidence with decision making.

Cookery Club

Miss Warren has led a KS1 Cookery Club with her Mum, volunteer Mrs Warren! So far the children have made fairy cakes, novelty shaped bread, healthy open-top smiley sandwiches and angel delight style cheesecake. They have really enjoyed practising skills of measuring, kneading, whisking and shaping. Another Cookery Club will start after half term.

Learning Hub afternoons

Year 1/2 children have been learning about the differences between Wirral and Dubai. Next week they will be creating a videoclip about places they would recommend to visit on the Wirral and what they know about our local area. They were very excited about our local area walk last Friday, recording how many houses, cars and lampposts they could see.

Judo

There are still places available on the Judo course that is due to start on 7th June during school time. The cost is £25 for the 5 sessions if you want your child to take part, please return the permission slip along with the full payment by Friday 25th May. Thank you.

Class Photographs

If you want to order a class photograph the order form needs to be returned to school along with payment no later than TUESDAY 22nd May..

REMINDER

Please can you ensure that children come to school dressed in their PE kits on the days that they have a PE lesson. We still have many children not coming in their PE kit.

Royal Wedding

The children have enjoyed being part of the Royal Wedding celebrations with our Royal picnic lunch on Thursday and coming to school on Friday dressed as a wedding guest.

We had many pretty dresses as well as very smart, colourful outfits.
