

**3rd March 2017****Spring 2 Week 1****Special Points of Interest**

- Bike Right
- Singapore Maths Workshop
- Eco Warriors

Welcome back to what is always a short and busy sprint to the spring break.

This half term we are really 'going for 5' with our additional home-reading. It is vital that your child practises their reading in addition to the time we use in school for teaching reading.

Please help your child to achieve the target of 5 reads a week by setting aside time at home to practise and enjoy this vital skill. For children who are finding it hard to read in their own time at home, we will be providing adult support to enable them to develop their skills in their own time at school.
