

16th April 2021

Summer 1 Week 1

### Special Points of Interest

- Covid Safety
- Appointments
- Ofsted

DATES FOR YOUR  
DIARY

### Lottery Winner

*This could be you !*

**During lockdown**

**We had many winners** parents, staff and friends  
**Why not join it may be you next**

### Ofsted

As you may be aware, we had a visit from Ofsted on the 2nd March. This was part of Ofsted's programme of additional inspections to monitor the effectiveness of schools during the coronavirus pandemic, including remote learning. One of Her majesty's Inspectors visited us remotely and considered a wide range of evidence, including meeting with governors and local authority representatives.

We were delighted with his judgement that we were providing effective education at this time, including our remote learning offer.

HMI noted many positives, including:

- The supportive governors who challenge appropriately
- The effective work by Mrs Craven, our acting SENCO
- The clear focus on reading
- The support for home-learners via video and devices provided.

### ParentPay

School trips and activities hopefully will re-start in 2021, these can only be paid for, by using Parent Pay. Please don't disappoint your child(ren) - activate your accounts now.

### Medical Appointments

If your child has any medical appointments, they should only be away from school for the duration of the appointment plus travelling time. Please bring a copy of the appointment card for our records.
