

Parental Action Required

3rd September 2020

Dear parents/carers

Re: Breakfast Programme - Whole School

We are delighted to announce that we have partnered with Family Action and Magic Breakfast and will now be starting each day the “Bagel Way!”.

We will be offering each child a bagel breakfast when they arrive. This is FREE!.

We know starting the day with a healthy breakfast can kickstart learning. I do hope that everyone will give it a try. We will be starting on Friday 4th September.

The bagel will contain the following ingredients for allergy advice see ingredients in bold.

wheat flour (**wheat** flour, calcium carbonate, iron, niacin, thiamin) water, sugar, maize, grits, yeast, rapeseed oil, salt, **wheat gluten**, malted **barley** flour, flour treatment agent (ascorbic acid). Due to factory conditions may contain **sesame** seeds.
