

# **Sandbrook Primary School COVID Changes**

We've been working hard to get school ready for more of you to come back.

We can't wait to see you - school has been very quiet without you all!

Have a look at the things you can expect when you come back...

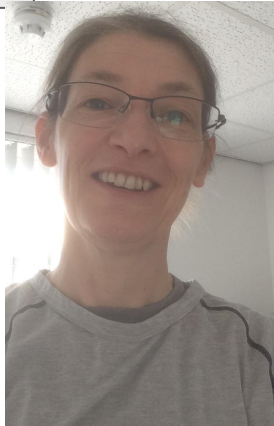

If you are in the key workers group, you will come into school through the main door by Mrs Try's office. Then you will come to your base - Mrs Craven's morning classroom next to the ICT Suite.

We've set the classroom out so that everyone can stay 2 metres apart. In school, we are going to 'mind the gap'.

Each of you will have a desk for yourself, two chairs and a tray.

‘Two chairs?’ you may be asking. Well, one is for you and the other is for your coat and your lunchbox if you have a packed lunch.

Your tray will have everything you need so there will be no need to share.

In school we will be saying:  
‘Be aware...don’t share!’

If you need the toilet, you will use this one in the cloakroom.  
We will leave one cubicle open and shut the others.

This means that only one person will be in the toilet at a time.

This will help us to mind the gap and keep to that lovely safe 2m.

You will have this area of the playground. You can play out with your friends but we will ask you to mind the gap and stick to the 2m rule. We will help you with this.

When we have a fire drill, you will line up on the spots with yellow flashes, like the one in the picture.

You will stay in the key worker group with the same grown-ups each day. This will help us to stay safe.

We will ask you to wash your hands a lot and catch coughs and sneezes in a tissue. We will all help each other to not touch our faces.

We would like you to try to wear a change of clothes each day.

We must ask that you do not come to school if you are unwell.

I hope that this helps you to see what school will be like when you come back. We're all looking forward to seeing you again soon.

Ms T & TEAM Sandbrook
