Spring Break is upon us!

Another half term has sped by. If you have one of the Let's Go magazines at home, have a look out for Alfie's winning advert for Gil-moss Recycling. The evenings are lighter and we have had some warm weather so I hope you all have a wonderful Spring Break and Easter. We will see you all back on **WEDNESDAY** 19th April.

Year 6 then have just a couple of weeks before their tests so I would urge all parents or carers with Y6 children to encourage them to keep up with their home-learning (reading, times tables, maths facts, home work pack et) so that nothing is lost over the break. The new curriculum expectations are high and every little bit of revision will help when the children find themselves under test conditions.

Parking

Just a reminder that if you bring your child by car, please do not park on the zig-zag hazard lines or across the driveways of our neighbours. Our car park is for staff and visitors only so if you are using the reception office to enter school, please park on Stavordale Road and use the pedestrian path to walk to the office. Please do not leave children to walk across the car park unaccompanied as small children cannot be seen if someone is reversing.

PE Kits

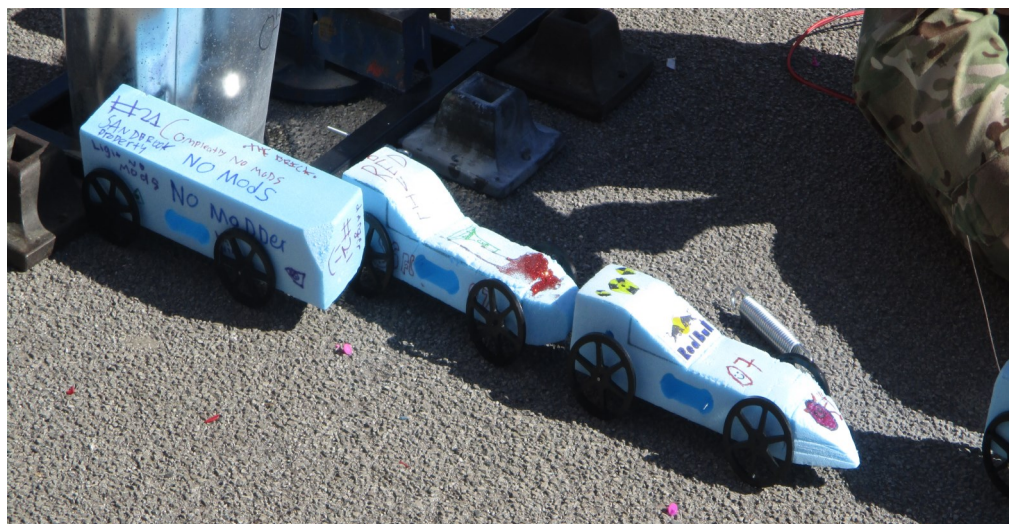

It has been noted recently that some children do not have a PE kit in school on the day allocated for PE. PE is part of school curriculum and children need to have the correct equipment. A full kit (red tshirt / black shorts and black pumps- all named) should be sent into school and left in school.
