Harvest Days Are Here

As the leaves begin to turn, the crops are being safely gathered in. We begin our annual celebration of harvest. This year we are supporting Wirral Foodbank and they shared information with us in assembly today. Donations are welcomed.

EYFS: This week foundation stage and Year 1 have been learning about harvest time. At Sandbrook we aim to excite and enhance pupils through learning experiences. What better way to do this than engaging in our own harvest. Foundation stage and year 1 have harvested, washed, sorted and prepared the apples, pears and blackberries from our orchard, ready for eating. On Monday homemade apple and pear crumble was served for lunch and every day this week every child has had the opportunity to have a free piece of Sandbrook's freshly grown fruit.

Year 3/4 will be leading our harvest assembly this year and parents/carers are invited to the performance on Thursday 24th October at 2.30pm.

Macmillan Coffee Morning**We will be holding a coffee morning on Friday 27th September**

We would be very grateful for any cake or cookie donations. Home-baked or pre-bought, all contributions are welcome. We would also love some parents or carers to help Linda run the event. Please see Mrs Craven or the school office if you'd like to be involved. Everyone else—we'll see you Friday for a brew!

Y5/6: Year 5/6 have been learning about Antarctica. Ask us about the wind speed or lowest temperature recorded there during the winter. You might be surprised! We are off to see the RSS David Attenborough next week—we can't wait!

Birkenhead High School

Parents / carers of girls in Y6, if you wish for your daughter to be considered for a place at BHSA in September 2020, you will need to go to their website and click admissions and complete the Y7 application form to take the entrance exam by Friday 4th October 2019.

Y3/4: We have been learning about the UK, the British Isles and countries within Europe. Ask us a question about the capital cities of England, Ireland, Scotland and Wales.
