Eco –Schools Green Flag

We have received our Green Flag certificate this week. Below is a quote from the assessor about our fabulous Sandbrook children:

"The children at Sandbrook would inspire anyone to care, protect and nurture. Their love of nature and wildlife dominates how they see the world, and they take their responsibility to look after it for other creatures very seriously. This has created considerate and thoughtful children who are determined to make the local environment a better place for everyone." Well done!
