

Sandbrook Primary School Virtual Tour

We've been working hard to get school ready for more of you to come back.

We can't wait to see you - school has been very quiet without you.

Have a look at the things you can expect when you come back...

You will come into school through the main gate onto the playground.

Follow the 2m dashes up the path to the ramp by the old Y3 classroom.

When you arrive, we'll ask you to wash your hands. An adult will teach you how to do this properly.

We have set the classroom up so that everyone has their own space and their own things.

In school we will be saying:
'Be aware...don't share!'

If you need the toilet, you will use the toilets next to the classroom.

We will leave one cubicle open and shut the others.

This means that only one person will be in the toilet at a time.

This will help us to mind the gap and keep to that lovely safe 2m.

You will have your own area of the playground. You can play out with your friends but we will ask you to mind the gap and stick to the 2m rule. We will help you with this.

You will stay in the Y6 group with the same grown-ups each day. This will help us to stay safe.

We will ask you to wash your hands a lot and catch coughs and sneezes in a tissue. We will all help each other to not touch our faces.

We would like you to try to wear a change of clothes each day.

We must ask that you do not come to school if you are unwell.

I hope that this helps you to see what school will be like when you come back. We're all looking forward to seeing you again soon.

Ms T & TEAM Sandbrook
