Dates for your diary

Coffee morning 9am
Wed 23rd January
Entrance via side of reception

Parent workshop
Y1—Y6
Thur 31st January
3.15pm

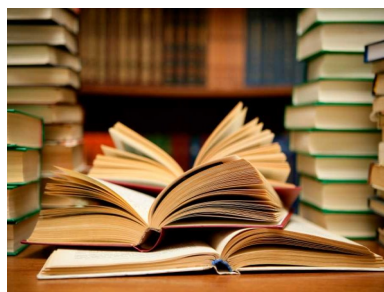

Unfortunately, Mr Rush is not returning to Sandbrook Primary school. However, children in year 2/3 have been speaking to him via email and have begun researching what life is like for children in Uganda (that is where Mr Rush is currently teaching). During this term the children will be using a range of resources such as,

atlases, Google Maps and fact files to understand the geographical features of Uganda and making comparisons between the weather there and in the UK.

In our PE lessons this term, the children have already been learning how to complete different types of gymnastics movements including star jumps, half twists and teddy-bear rolls. Some of the children have become expert instructors already and have been able to teach some of our beginner gymnasts. Thank you, Safi, for teaching me how to complete a teddy-bear roll.

Don't forget that PE days for the learning hub are Mondays (Year 1/2) and Wednesdays (Year 2/3) and all children should be coming into school wearing appropriate SCHOOL PE kit.

Over the next few weeks, we will be studying different types of poems by different writers. Why not take a trip to your library and see if the children can find any poems that we have already read or even better, find some poems that they don't know and can share with the other children.

Remember, 5 reads a week is requirement for all children at Sandbrook Primary.

Parent Governor

We still have 1 vacancy to be filled. If you would like more information on what is involved, please have a chat with Ms Temple or Mr Mervyn.

Contact Details

In order to update our new management system contact forms were sent home with your child(ren) last Friday. Monday 28th January is the deadline for returning forms to school. Thank you to those parents who have already returned the contact form(s).

BikeRight Day 1

For those pupils in Y5 who have registered, please ensure that they have a roadworthy bike and cycling helmet with them on Tuesday 5th February. Children should also wear suitable warm clothes.

Free School Meals

Wirral Borough Council have requested that all families be registered on the following online free school meals system, <https://www.cloudforedu.org.uk/ofsm/sims-wirral/> If you are not entitled at this time, should your circumstances change in the future then certain benefits will automatically come into play.

Cold Weather

During this cold spell please ensure that children are sent into school with adequate warm clothing coats, hats, gloves and scarves. We know that some children arrive to school by car with many only wearing light weight jackets. But children can spend a considerable time outdoors during the day.
