WIRRAL LOCAL LOCKDOWN - More Restrictions

From Saturday 3 October, new regulations will come into place in Wirral because of the increase in covid-19 infections in the area.

If you live in the affected local areas, including Wirral and the wider Liverpool City Region, it will be **against the law** to:

- host people you do not live with in your home or garden
- meet people you do not live with in their home or garden, whether inside or outside the affected local areas
- socialise with people who you do not live with in any indoor settings, whether inside or outside of the affected local areas

This means sleepovers and play dates will need to be paused. Please follow the new rules to keep Sandbrook safe.

Flu vaccine REMINDER

Flu consent forms have been sent home for children in FS2 to Y6. If you have not already done so, please complete and return to school ASAP so that enough vaccines are delivered to school. We would urge you all to get your child vaccinated this flu season.

Please remember your face-coverings when on the school site.

Please don't be offended if we politely remind people, we will quickly learn which of you are exempt from wearing them.

Preventing the spread is our best defence.

Secondary Transfer for Pupils in Y5 + Y6

Leaflets containing information for secondary school transfers have been sent home this week for Y6 pupils. Please apply online at

www.wirral.gov.uk/schooladmissions the closing date is Saturday October 31st 2020.

Due to our current situation, walks around prospective secondary schools are being replaced with virtual open evenings for pupils currently in Y5 and Y6. Please check their websites for details.
